Agreement

The Ministry of Transport and Communications of Oman, as a full member of ITU on behalf of the Sultanate of Oman, and the Directorate General for Standards and Metrology as the National member body of ISO, have agreed that the Directorate General for Standards and Metrology of Oman will apply for and operate a Registration Authority for Oman, administering registrations under the arc {joint-iso-itu-t(2) country(16) Oman(512)}

Your sincerely

Mr. Ali Mohammed Ali Al-Farsi
Acting Director General of
Communications and Postal
Services

Mr. Saoud Nasser Mansoor
Al-Khusaibi
Director General for
Standards and Metrology
